The singers selected for the Summer Academy must obtain their own score of the opera.

**Their presence in Paris for musical rehearsals from July 1-2 is mandatory.** (The singer is expected to travel to and from Paris. Escales Lyriques will help find accommodation for singers in town.)

Taking part in Escales Lyriques' Opera Workshop requires learning the set arias and recitatives well beforehand. It's essential the singers know their roles off **by heart** before arriving on Ile d'Yeu.
